

URETHANE EDGE SOLUTIONS

Seamless Design *impervious to liquid penetration*

"No Spill" *edge option*

Anti microbial additive *prohibits bacterial growth*

Impact Resistant *eliminates chair nicks*

Integrally molded Urethane Edges add beauty and unparalleled durability to any table surface. Edgemold's innovative urethane edges are completely sealed and seamless, eliminating a place for dirt, microbial growth or moisture to accumulate, making it the perfect solution for high traffic common spaces.

Urethane Edge Advantages

Seamless Design

- Improves table-top hygiene by eliminating a place for dirt, microbial growth, or moisture to accumulate
- Withstands repeated sanitizing
- Eliminates concerns of food, dirt, and bacterial build-up
- Adds patron comfort by removing sharp corners
- Boosts long-term durability by resisting chair nicks

Innovative Material Technology

- Proprietary anti-microbial agent
- Semi-soft, impact, and puncture resistant
- UV-stable and flame retardant
- Integrally molded; completely sealed to the core

Progressive Color Selection

- 25 standard edge colors
- Diverse solid, woodgrain and abstract surface options
- Custom-printed graphics

Applications:

- Hotels
- Restaurants
- Meeting and Training Rooms
- Cafeterias
- Long-Term Care Dining
- Airports
- Food Courts

Environmental Commitment:

- Made in the USA from USA-sourced materials
- CARB I and II compliant
- Production energy sourced from in-house scrap materials
- Forest Stewardship Council® (FSC®) certification (FSC C115183)
